Our Mission

DINCO E&C partners with foreign investors in Vietnam, providing comprehensive solutions from design and construction to legal finalization. We help our Clients save time, optimize costs, and eliminate all risks. Built on the foundation of honesty, ethics, and a heart-to-heart service mindset, we are committed to delivering superior quality backed by the policy of 10-year waterproof warranty and 5-year legislation warranty.

DINCO E&C does not just build constructions; we create distinctive value, elevate experiences, and deliver success beyond expectations to our Clients, guided by our motto "Best Before Largest".

Member Companies

To save maximum cost for Clients, Dinco E&C has established member companies.

Services

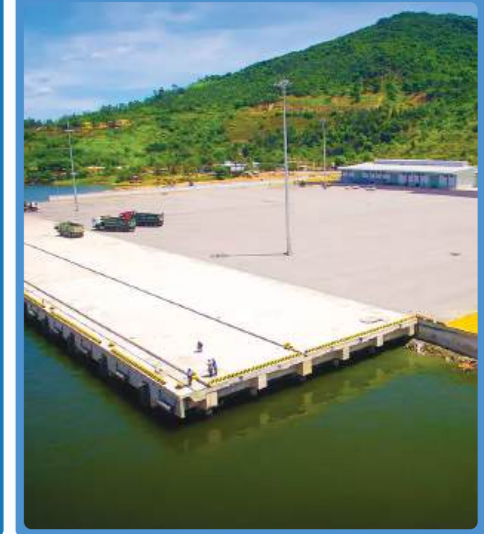

Design & Build General Contractor for Industrial Factories & Plants
(Including Legal Procedures)

Construction of High-rise Buildings, Hotels, Resorts

Construction of Traffic and Infrastructure Works

Why Choose Dinco E&C?

DINCO E&C partners with foreign investors in Vietnam, providing comprehensive solutions from design and construction to legal finalization. We help our Clients save time, optimize costs, and eliminate all risks.

Saving a lot of time during the project implementation with our assistance to perform and obtain all legal procedures for projects.

Avoiding legal risks during the factory operation for up to 5 years in case of periodic inspections of fire protection and environment by local authorities.

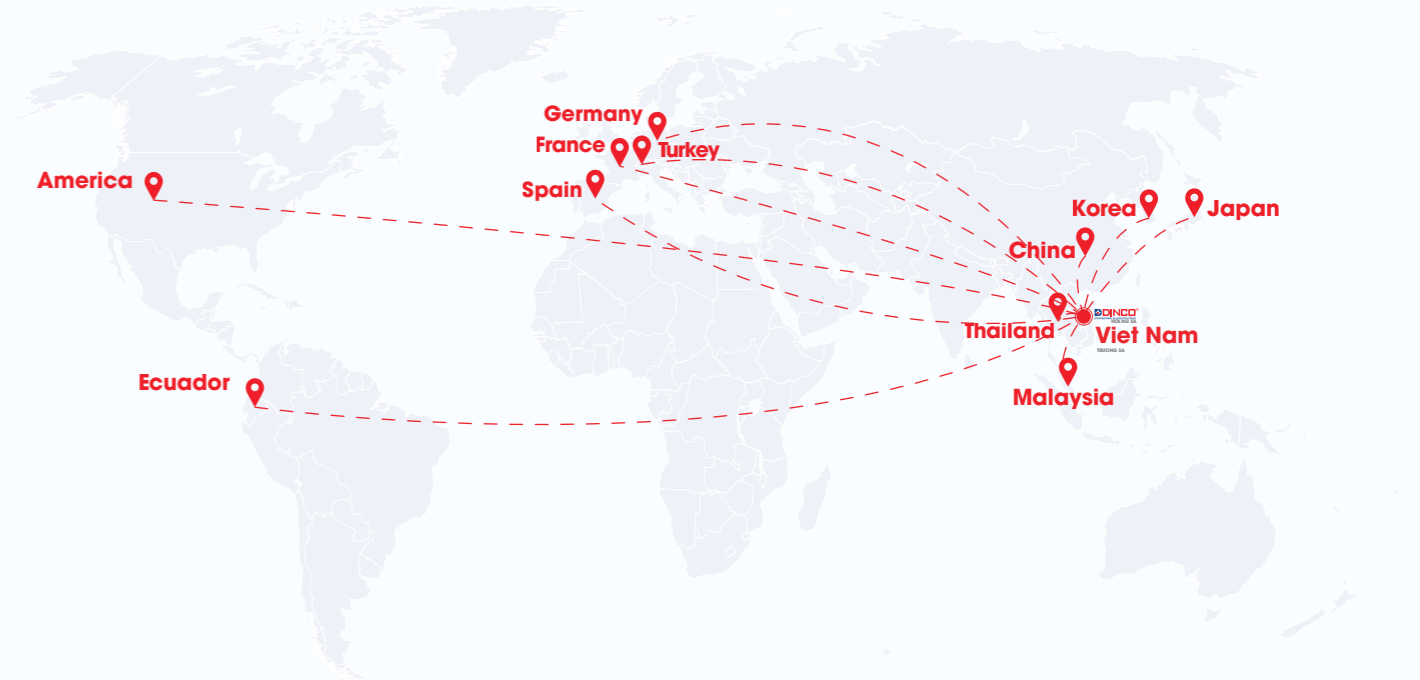

Saving factory maintenance costs and avoiding any affection on production activities thanks to Dinco's waterproofing warranty policy of leakage and rain and storms for up to 10 years.

Building your projects with competitive and attractive prices thanks to intelligent and flexible design solutions made by Dinco's experienced in-house experts.

Worldwide Network Of Clients

Currently, more than 95% of Dinco E&C's Clients come from leading industrialized countries such as the US, Germany, Belgium, Japan, China, Korea, Singapore, etc. Therefore, we believe we can understand the cultures and have the ability to interact well with Clients.

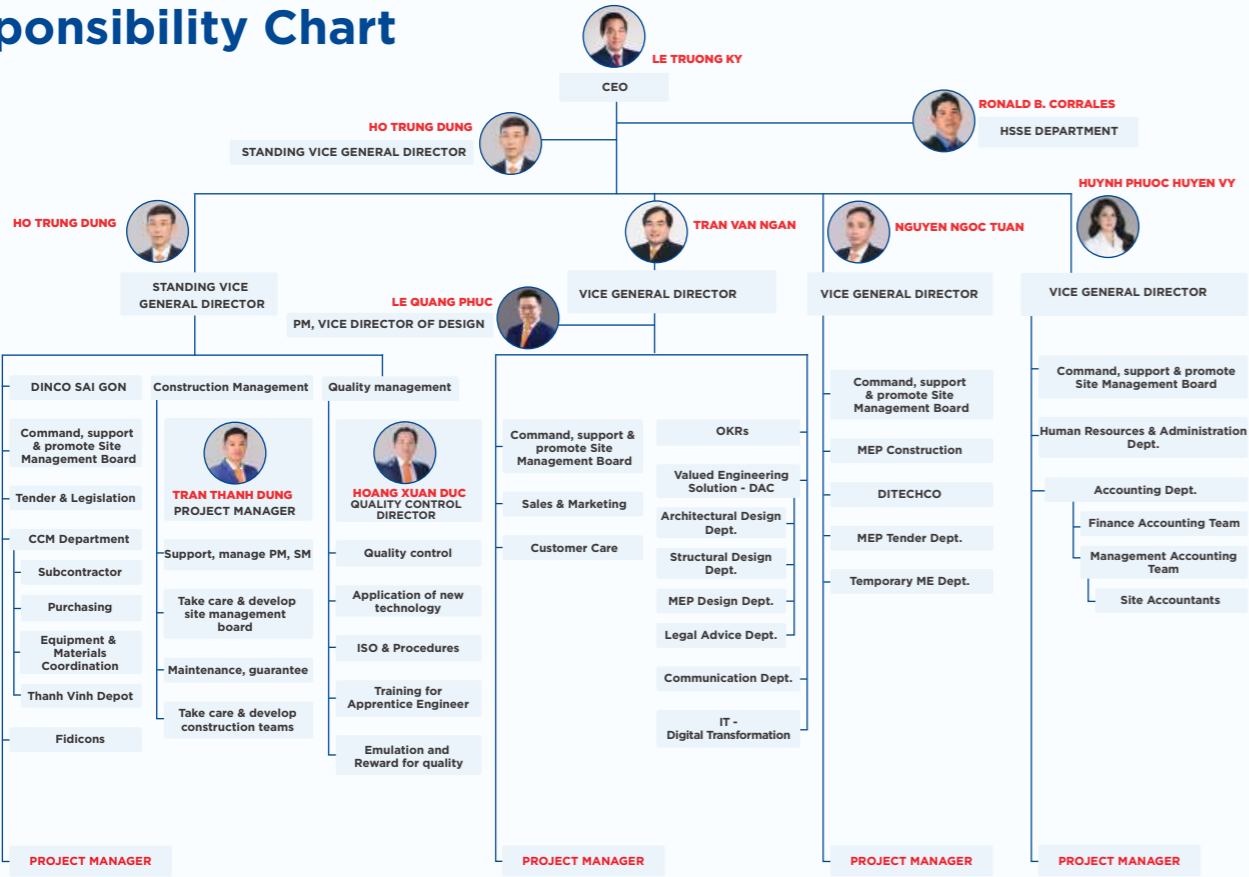

Our Clients

Responsibility Chart

Core Values

We are privately owned company and guided by firmly held values:

Integrity & Honesty: Dinco's culture is based on integrity and honesty. We have set up the highest standards of ethical business performance which every employee is committed to follow. There is no compromise for any reason and under any circumstance. We are open and transparent in all dealings with Clients and Sub-contractors.

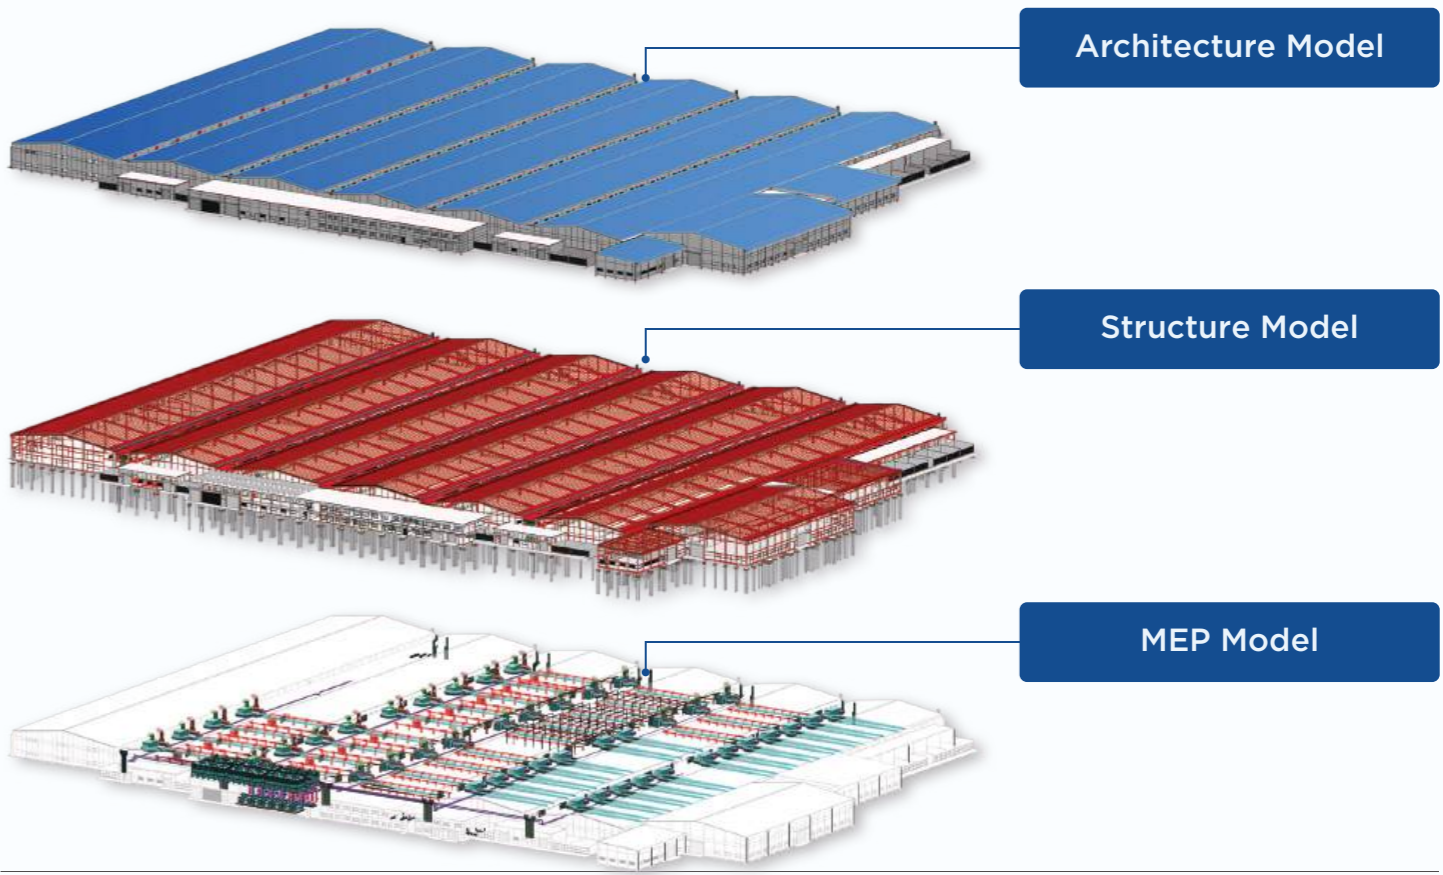

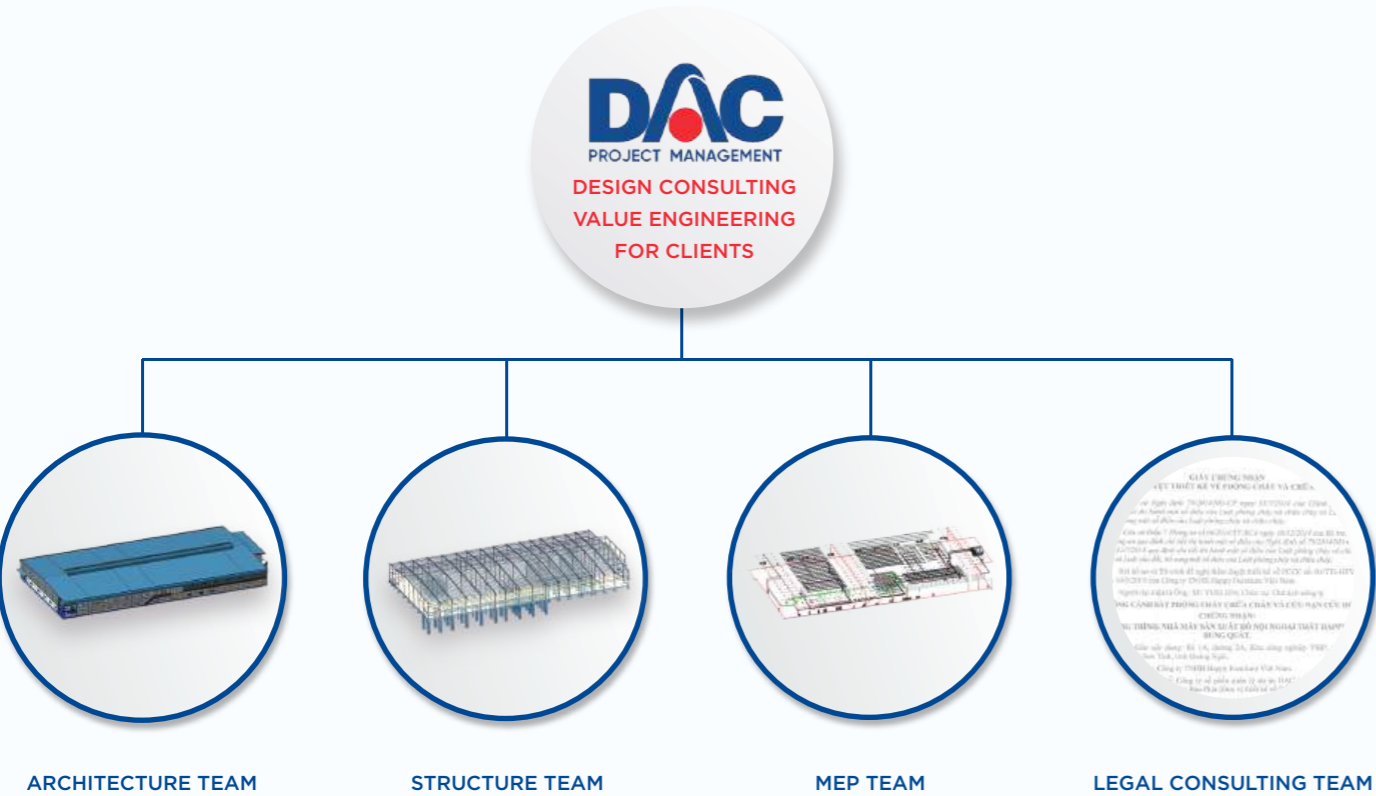

Responsibility: We attach personal responsibility to all jobs, even the smallest, based on the principle of doing what is said, dealing with the consequences for being unable to do what has been said.

Mutual Respect: We work by our Dinco Rules, which encourage openness, debate and teamwork. We value a culture that includes a diversity of different backgrounds, experiences, and perspectives. We affirm that DINCO always respects the differences and ways of working of every Client and Subcontractor.

Safety: We believe every accident is preventable, and we continue our pursuit of zero accidents - people's lives depend on it.

Sustainability: Based on the foundation of honesty and integrity, we plan and act for the long term good of our clients, environment and community.
